Explanations & Notes

- SPELLING** - We will get one more test in before the end of the school year. The list of words for Unit 21 are NOT in "The Lions' Share" booklet. So here they are:

- MEMORY WORK** - On the Memory Calendar in "The Lions' Share" book, there are some upcoming days that say *Review Sacraments*. The students will not have to say or write any memory work on these days. **If a student would like to redo any memory work on which they received an unsatisfactory grade, these Tuesdays and Fridays would be a great times for them to do that.**

- BAND OPEN HOUSE** - Students can come and try out the instruments from 6:00 - 7:00 PM at St. Mark School.

- THANK YOU** - Thank you for all the help and encouragement you give to the students and teachers. School really is a partnership, and all the assistance that you give to the students to nurture their minds, bodies, and souls in a Christ-centered environment at home is truly appreciated. It has been my privilege to assist your family this school year. God's blessings on your summer.

DePere Lock

The students received a permission slip on Friday for this field trip on Tuesday, May 19. Details are spelled out on the front and back of the permission slip. Please remember to sign and return the permission slip on Monday. Thank you for doing this. My apologies for the late notice of this activity.
